I experiences

- art direction 19 - 20 **FREELANCE**
In the last year I have ranged working on 3D projects, brand design, websites, and designing and organizing workshops of various nature such as design sprints, team canvas, strategy sessions, etc..
Tonki, Pandali, Gravity GmbH, The Henry Ford Museum, Eathical, Labilia, Federazione Italiana Motociclisti, Fondazione Puma, Shapr 3D, Biotech Animated.
- Artistic Director, Creative Director 16 - 17 **LAB 147**
In this exhibition and coworking space I worked on the creation of exhibitions and events, directing technical figures to create their communication and promotion.
- Art Director, founder 14 - 19 **JEDISTUDIO**
I founded this studio of associated freelancers working in the world of visual communication for startups and companies. I was in charge of art direction coordinating a team of 4 people, and client relations.
Poste, Reply, Richemont Talks, Azimuth Film Company, Martina Mammola, Play With Food, Hemp Factory.
- 3D Artist, Junior Art Director 05 - 13 **FREELANCE**
In this period I worked in 3D but approaching more and more to visual communication, creating graphic and branding projects, acquiring directly the customer or collaborating with other agencies in the food and fashion.
Pandali, Cose dell'altro Pane, Luna e l'altra, eSsenza, Gabriele Visca fotografo, Reval Cucine

Senior 3D Artist 09 - 10 **NEMA STUDIO**
At Nema Studio, I was responsible for creating and managing 3 large 3D modeling projects for architectural design.

Senior 3D Artist 09 - 10 **PRESINT ENGINEERING**
At this architecture and engineering firm, I was responsible for the visual communication of projects, directing and coordinating junior 3D artists.

Junior 3D Artist 07 - 08 **ITA PROJECT**
In this architectural firm I have worked on urbanization projects abroad representing the initial concepts as well as the final presentation images of the project.

Junior 3D Artist, junior exhibit designer 06 - 07 **FSD STUDIO**
At FSD Studio, I have worked as a 3D artist for the design and visualization of interiors, and in the design of installations and exhibition spaces.
